

# *The Holly Hotel*

Thank You for Considering the HISTORIC HOLLY HOTEL !

The Holly Hotel is both old and new to this community. The Hotel has been on this site for more than 116 years. The Holly Hotel, as you see it today, was heavily damaged in two tragic fires; one in 1913, the second in 1978. The Hotel was restored to its present condition in 1978 and 1979. The main floor was opened on October. 5, 1979, the lower level in 1980 and the second-floor banquet rooms in 1983. Ongoing restoration continues each year and plans for completing the top level of the Hotel will begin soon.

The Holly Hotel is a young, privately owned company founded in June 1979, has achieved national acclaim and maintains an outstanding reputation as one of Michigan's best restaurants. We have appeared in national publications such as The New York Times, Bon Appetit magazine, Better Homes & Gardens, Signature Magazine, Midwest Living and many others. In 1992, the Holly Hotel was selected by the President and Mrs. Bush as their only dinner stop during their "Spirit of America" Whistle-stop campaign in Michigan.

In addition, the Holly Hotel has been critically acclaimed for its cuisine by every major food critic in Michigan, and has received consistently high scores. We are listed as Mobil Three Stars and approved and recommended by the American Automobile Association (AAA).

This restaurant has employed the best culinary techniques and management skills available in the state. It has always been the goal of the Holly Hotel to provide the best possible cuisine and service to its customers in an elegant, yet affordable atmosphere. It is highly unusual for any restaurant located in an isolated area like Holly to achieve such wide acclaim. It has been solely through the efforts of the staff of the Holly Hotel and a remarkable following of loyal customers that this achievement has been made possible.

Our customers have told us that one of our greatest strengths is that we are one of the few remaining large restaurants that continues to be family owned and operated. As a third generation restaurateur, I realize that we must maintain a personal level of interest and involvement in every aspect of the business to remain successful. Our staff works together on each event to insure that your party will be successful. Please feel free to contact me or our Special Events Coordinator.

Best wishes,

George M. Kutlenios, Chef/Owner
